LOWER YELLOWSTONE'S AUTOMATIC PAYMENT PLAN AUTHORIZATION FORM AND BROCHURE

We can't think of an easier way to pay your energy bill than through Lower Yellowstone's Easy Payment Plan, an automatic payment plan. With it, your bank and Lower Yellowstone do the work!

With easy payment, monthly energy bills from Lower Yellowstone are paid with funds electronically transferred to Lower Yellowstone from your checking or savings account. All you do is record the amount in your checking or savings account each month.

Each month you will receive your Lower Yellowstone bill as usual. Then on the 15th of each month, (or the next business day following the 15th of the month), your financial institution will automatically deduct your payment from your checking or savings account.

By signing up and taking advantage of our easy payment program, you will be saving on postage because you won't be writing or mailing any checks – and there is no charge for the service from Lower Yellowstone or the financial institution! All customers whose accounts are in good standing and have sufficient funds available are eligible to participate. Service work and merchandise purchases, if any, may be included on your bill.

To enroll in the Easy Payment Plan, you will find an authorization form on the back side of this sheet.
