POLICY BULLETIN NO. 901

SUBJECT:

Cooperative Meeting Facilities.

POLICY:

The meeting facilities of the cooperative shall be made available for the use of service organizations, including church, youth, civic groups and any other organization which promotes the welfare of the area people, when it is deemed that such groups are not organized for the detriment of the cooperative.

These meetings will be held at reasonable hours so that the cooperative shall not be obligated to go to extra, unreasonable, expense to accommodate such meetings. Whenever it is deemed necessary by the manager, the extra expenses involved may be charged to the organization responsible therefore.

This policy supersedes all previous policies concerning this subject.
