2017 rates to increase

fter a thorough review of each rate class, and ample discussion, the board of directors approved rates for 2017. The fact is, the cost of buying and delivering electricity to you, our members, continues to rise.

When compared to other commodities, electricity remains a

great value. For example, over the past 10 years, gasoline has shot up 12.66 percent on average annually, according to the U.S. Bureau of Labor Statistics. A loaf of white bread rose 3.73 percent annually, and a dozen eggs jumped 7.39 percent per year. In comparison, electricity has increased just 3.7 percent a year nationally.

So, what should you expect from the rate increase? Starting with the Jan. 1 usage, all rate classes will be charged 7.10 cents per kilowatt-hour (KWH). The free first 10 kilowatts (KW) will also be eliminated. The table below shows the comparison between the old and new base charge.

New Rates 2017	Bill Class	Old Base Charge	New Base Charge
Residential Sales	Residential Sales	\$10	\$15
Seasonal grain dryers	Residential Sales	\$10	\$15
Seasonal stock pumps	Residential Sales	\$10	\$15
Irrigation: single-phase	Irrigation	\$10	\$15
Irrigation: large single phase	Irrigation	\$10	\$15
Irrigation: three-phase	Irrigation	\$23	\$35
Small commercial: single-phase	Small Commercial	\$10	\$15
Small commercial: three-phase under 50 KVA	Small Commercial	\$23	\$35
Large commercial/industrial: single-phase	Large commercial/industry	\$10	\$15
Large Commercial/Industrial Under 500 KVA	Large commercial/industry	\$23	\$45
Three phase: schools, public infrastructure (water, sewer)	Small Commercial	New Rate Class	\$35
Large commercial/industrial: over 1,000 KVA	Large commercial/industry	\$23	\$75

As you can see from the table above, Lower Yellowstone Rural Electric Cooperative's (LYREC) base charge for residential meters will be \$15 per meter. By adjusting the base rate, the KWH charge and the KW charge, the board of

directors is providing the lowest possible cost, consistent with sound business practices to you, the member-owners.

As stated in the December issue, LYREC's wholesale power rate has increased a total of 21 percent in

the past two years. After 25 years of holding the rates steady, LYREC can no longer absorb the power cost. The new 2017 rates will begin for sales starting Jan. 1, 2017, and the bill you receive in February will reflect the rate increase. (Meter 20132) ■

LYREC offers payment options

SmartHub mobile app

ower Yellowstone Rural Electric Cooperative (LYREC) has all kinds of members, and that is why the cooperative offers many different payment options. For those of you who wish to manage your account using your mobile device, LYREC offers a powerful app available for both Apple and Android devices. Best of all, it's free!

The SmartHub mobile app allows you to pay bills, track usage, receive notifications and much more. To download the app, visit your app store and search for "SmartHub." If you do not have a smartphone or tablet, you can access SmartHub via your computer at www.lyrec.com.

Pay Now

The Pay Now option allows members to access basic account information and to make payments online. Pay Now offers a quick way to pay, but differs from SmartHub, as it doesn't offer the in-depth information that SmartHub offers. To access Pay Now, login to www.lyrec. com and click the "Pay Now" tab.

Pay by phone at 1-844-209-7159

If you want to make a payment on your bill over the phone using a credit/debit card or check, you can call the toll-free number, 1-844-209-7159. The system is automated and all of your personal information, such as card number and payment amount, will be entered by you.

At any time, you may hang up and this will discontinue the phone call. There is no additional fee. Make sure to have your account number ready.

LYREC was required to move to the automated system to be compliant with the Payment Card Industry (PCI) Data Security Standard. These standards are designed to help prevent credit card fraud through increased data controls and ensures the cooperative's continued ability to accept debit and credit card payments.

Hand delivery/drop boxes

You are always welcome to stop in LYREC's office to make a payment during business hours. If you are unable to stop in during business hours, LYREC has two drop boxes for members' convenience. The first box is located at the office by the LYREC sign and the second box is located across the road from Reese & Ray's IGA on Second Ave. N.W. ■

Jan. 31 scholarship deadline nearing!

Help with heating is available

I f you or someone you know needs help this heating season, funds are available. If you reside in Montana, you can contact Energy Share at 800-227-0703. If you reside in North Dakota, contact Community Action at 701-572-8191. Montana residents may pick up an application at Lower Yellowstone Rural Electric Cooperative (LYREC) for the Low Income Home Energy Assistance Program (LIHEAP) or Energy Share.

Once you submit your application, it can take up to two months before receiving assistance. If you are finding yourself in a financial bind, please pick up an application today.

LYREC employees decorate the cooperative's "Santa's Workshop" float for Sidney's Parade of Lights.

Congratulations

anner Roth has successfully completed one of the world's most comprehensive training programs for power line personnel by becoming a journeyman lineworker.

Tanner graduated from the Bismarck State College Lineworkers Program in 2013. He was employed with Montana-Dakota Utilities for more than a year before beginning his career at Lower Yellowstone Rural Electric Cooperative.

Congratulations to Tanner for achieving his journeyman lineworkers certificate! ■
