

**LOWER YELLOWSTONE
RURAL ELECTRIC COOPERATIVE**

Your Touchstone Energy® Cooperative 

WATER HEATER CONTRACT

_____ is presently a member of Lower Yellowstone Rural Electric Cooperative and requests a replacement water heater under the water heater marketing program Policy #506.

It is hereby agreed by Lower Yellowstone Rural Electric Cooperative, and the member as follows:

1. Lower Yellowstone Rural Electric Cooperative hereby agrees to a \$4.00 per gallon rebate, not to exceed \$300.00, for the cost of the water heater only. The rebate will be given for a new home water heater or a replacement of a gas, oil, or non-working electric water heater. A receipt must be provided.
2. Minimum tank size is 40 gallons and is the main source of heating water in the home or in other buildings on the premises. The cooperative retains the right to specify the brand, size, and manufacturer of its choice, with the minimum requirements of and EER of .90 and a 10 year warranty (extended warranties do not meet the requirements). More than one can qualify. A member who receives a rebate is not eligible for another rebate at the same location for a minimum of 10 years. The member is responsible for transporting the water heater and making the installation.
3. The member hereby grants to Lower Yellowstone Rural Electric Cooperative, its agents and employees, the right to enter into and upon the member's premises for the purpose of inspecting the system when the member is present.
4. Lower Yellowstone Rural Electric Cooperative shall not be liable to the member for any damage or loss which may be alleged to result for any malfunction of the system or water heater. The water heater and any replacement provided under this contract shall remain the sole and separate property of the member.
